Support Services

Career Advising

Career Specialists work with students on a 1:1 basis, or through group workshops and career planning courses. We provide assessments which help the students to gain a better understanding of their interests, skills and abilities, values and personality type. We assist students to obtain and research occupational, educational and employment information and help them determine what college major may complement their career exploration results.

Office of Accessibility Services

The Office of Accessibility Services (OAS) provides access and equal educational opportunity for students with disabilities. Prior to admission, or any time after beginning classes, students with disabilities are encouraged to contact the office to schedule an intake interview. Based on the intake interview and documentation provided by a student, a variety of accommodations may be provided to help students limit the impact of their disability on their academic performance. OAS also acts as a liaison between the student, faculty and staff. Once students have self-identified, applied for services, and provided documentation of their disability, staff works to determine eligibility for reasonable accommodations. Under the Americans with Disabilities Act (ADA), both the student and the College must carry out these responsibilities in a timely manner.

The Office of Accessibility Services is an official New York State Voter Registration site. Individuals who visit our office are given the opportunity to register as NYS voters. Assistance is available to complete the registration process.

For more information, contact the Office of Accessibility Services at (845) 341-4077 (Middletown Campus) or (845) 341-9034 (Newburgh Campus).

Lab School—Campus-Based Childcare

To help alleviate childcare concerns that may become obstacles for students wishing to continue their education, the College Association provides childcare services in what is called a lab school. This service is available to children of SUNY Orange students, as well as children of staff and faculty, and the community.

SUNY Orange

Morning, afternoon and full-day programs provide a healthy, happy and stimulating learning environment. Each child is able to explore and learn through a variety of activities, including music and movement, creative art, story time, outdoor play and child-directed center-based readiness experiences.

The childcare programs are located in the Morrison Lab School on the Middletown campus, and in the Tower Building on the Newburgh campus. The Lab School is licensed by the New York State Office of Children and Family Services. The Lab School accommodates children through five years of age.

The Wellness Center

The Wellness Center is open to all students, free of charge. Our mission is to promote physical and mental health education and wellness for the campus community. We provide health and wellness programs and workshops throughout the academic year to help students maintain a healthy lifestyle. All physical and mental health services are provided by licensed professionals. Our registered nurses are available for consultation regarding health concerns. Our personal counselors provide short-term counseling and referrals.

The Wellness Center also maintains all immunization and health records.

Bookstore

SUNY Orange's bookstore services are provided by Follett, which operates the College's bookstores at the following locations:

Middletown: George F. Shepard Student Center (2nd Floor)

Newburgh: Tower Building (1st Floor)

Textbooks, course materials, supplies, clothing, gifts, technology, academic regalia and other items are available for purchase in-person at either campus location, as well as [online](#). Hours of operation vary throughout the academic year and are posted online. Follett offers many textbook options (purchase new, purchase used, rent, etc.) to suit each student's needs.

Food Service

The College Association, through a contract with Avanti Markets, provides micro-markets at three locations on the Middletown campus and one location on the Newburgh campus.

In Middletown:

- Rowley Center (Ground floor)
- Bio-Tech Building (South Street lobby)

In Newburgh:

- Kaplan Hall (2nd Floor)

The micro markets are accessible to students, employees and visitors whenever those buildings are open for operation. A micro market is an unmanned retail space where individuals can purchase food and beverages. These markets include a wide variety of fresh and healthy items that are restocked regularly. Refrigerated cases contain fresh foods like salads and sandwiches, as well as beverages, fruits, vegetables and other perishable snacks. A variety of beverages and other non-perishable snacks are also available.

Customers can select the food or beverage they wish to purchase and pay at the intuitive, self-checkout kiosk. Customers may also use an Avanti card that they can preload with funds and then use to pay for food. Students can acquire an Avanti card from the Welcome Desk in the Shepard Student Center on the Middletown campus, and at the Security Desk in the Tower Building on the Newburgh campus. More technically savvy customers may wish to download and use the Avanti Markets App as a payment source.

Because the micro market locations are unmanned, each area will also be outfitted with security cameras to monitor activities and transactions. Those who commit theft will be subject to disciplinary action. Removing items from an Avanti Micro Market without paying is larceny. Under New York State Law, larceny is punishable by up to one year in jail or up to a \$1,000 fine if convicted.

To further support a variety of food choices at the Middletown campus, the College may occasionally contract with vendors to provide additional food options during limited hours on weekdays.

Center for Student Involvement

The hub of student activity, the Center for Student Involvement is where students can obtain information or assistance regarding all student clubs and events.

Identification Card

Each student receives a SUNY Orange ID card displaying their picture. It must be carried and be readily available at all times for purposes of identification. The ID card is also used as the College library card.

A replacement fee of \$15 is charged for lost or mutilated cards. The ID cards must be validated every semester.

Parking Tags

Parking tags are required for all daytime students. A valid college identification card is required to obtain a parking tag. College security personnel will issue tickets for parking violations, and all tickets can be paid at Student Services Central.

Co-Curricular Activities

Activities sponsored by the Board of Activities range from theater, dance and musical presentations to lectures, comedy, novelty/variety shows and various trips to recreational, educational and cultural events. On the Middletown campus, a game room and offices for Student Senate and the Board of Activities are located on the first floor of the Shepard Student Center.

On the Newburgh campus, the Center for Student Involvement is located in the Tower Building, B-Level.

Phi Theta Kappa

Since its founding in 1918, Phi Theta Kappa has sought to recognize and encourage scholarship among associate degree students at two-year institutions of higher education. To achieve this purpose, the honor fraternity has developed opportunities for leadership and service, as well as provided a stimulating climate for continued academic excellence. A local chapter of Phi Theta Kappa, the national honor fraternity, was established at SUNY Orange in 1988. Students who have attained a cumulative grade point average (CGPA) of at least 3.5 after completion of at least 12 credit hours are eligible for membership.

Cultural Affairs

Cultural Affairs at SUNY Orange presents a broad spectrum of events throughout the year. Programming is diverse and is meant to augment the educational and academic opportunities of the college community, as well as provide enriching experiences to the community-at-large. Inasmuch as SUNY Orange is a community college, the community is invited to participate and avail itself of all programs. Events include jazz, classical, and world music concerts; classics, modern, new, and children's theatre; short and full-length films with introductions and discussions; poetry and book readings by poets and authors; music, visual art, theatre, literary, biology/botany master classes; lectures on science, social studies, history, humanities, art, architecture, music, film, theatre, timely issues; art or other timely exhibits including small musical performances and art demonstrations during receptions. College Email and Photography Policy**College E-mail Policy**

SUNY Orange uses e-mail as the official means of communicating academic and administrative information to students.

Assignment of E-mail Address

SUNY Orange assigns an e-mail address (@sunyorange.edu) to each registered student. This College-issued e-mail account is designated as the student's official e-mail address when administrative and academic departments need to communicate with students.

College Responsibility

The College is responsible for communicating with students in a timely and accurate way about changes in policies, procedures and deadlines that affect them. The College will select the most appropriate method (mail, telephone, e-mail) to convey pertinent information to specific groups of students. In some cases, e-mail may be used exclusively. Routine announcements, administrative and academic dates and deadlines, and information of a general nature will typically only be sent by e-mail.

Student Responsibility

Students are responsible for receiving, reading, responding to and complying with official e-mail communications sent by the College. Because information may be time-sensitive, students are encouraged to check their e-mail regularly (daily, several times weekly) throughout the semester.

Students who opt to redirect their @sunyorange.edu e-mail account to another personal e-mail account do so at their own risk. The College is not responsible for e-mail that is not delivered to a forwarded address or for spam filters that may block e-mail messages. The student's failure to receive or read e-mail communications does not constitute an excuse for missing College communications or College deadlines.

College Photography Policy

SUNY Orange reserves the right to photograph/videotape students for the purpose of institutional promotion. Whenever possible in controlled photo/video shoots, SUNY Orange will observe the common practice of allowing students to "opt-out" of the photo/video shoot. However, permissions will not be obtained for the use of student images in photographs/videos of public events on campus or off campus and sponsored by the College, such as rehearsals, performances, lectures, readings, athletic events, student life events, alumni events, and College ceremonies. Academic departments also reserve the right to photograph/videotape students and their work for institutional use. Questions about this policy should be directed to communications@sunyorange.edu.
