

Healthcare Administration Degree Map

◆ TRANSFER DEGREE M MIDDLETOWN CAMPUS N NEWBURGH CAMPUS DL DISTANCE LEARNING

Career and Transfer Focus

This degree program is designed to parallel the bachelor's degree program at most four-year colleges in the region.

Three Reasons to Consider Healthcare Administration

1. Health services is one of the fastest growing fields.
2. Faculty are educated in their areas of expertise with real-world experience and are highly motivated to work with students, helping them achieve their goal of transferring to a four-year college.
3. This degree is a pathway to a bachelor's degree where students will continue to study the business side of healthcare.

Keep This in Mind

Students enrolled in this degree program acquire an understanding of the relationship between the liberal arts/sciences and the business side of healthcare.

The required mathematics, science and business courses provide a solid understanding for making proper business decisions.

Healthcare Administration Gateway Courses:

- Gateway courses: BUS 161, ACC 153
- Key courses: BUS 161, ACC 153, ACC 154, BUS 203, ECO 201, ECO 202
- Electives: Two Restricted SUNY Electives

Courses above have been recommended by the department to help introduce you to the program (Gateway courses) and guide you in selecting courses that will provide you with the best academic experience (Key courses and suggested Electives).

First Semester

Course #	Course Name	P, C, P/C	Cr
