◆ TRANSFER DEGREE    M MIDDLETOWN CAMPUS    DL DISTANCE LEARNING

## Career and Transfer Focus

A four-year degree in International Studies opens the doors to a number of careers, including teaching, government service, the legal professions and numerous NGOs and IGOs. This A.A. provides students the opportunity to complete the initial coursework in the discipline and prepares them for the pursuit of further education and future employment. Above all, like other humanities degree programs, our International Studies degree provides the student practice in the communication and critical thinking skills sought by 21st century employers.

## Three Reasons to Consider This Program

1. The program offers students seamless transfer to four-year SUNY colleges.
2. Students enjoy the opportunity to study with top professionals in the field.
3. Students will develop a deeper perspective on our international environment, as well as their inherent problems and challenges.

## Keep This in Mind

Students who successfully complete the program will earn an A.A. degree and will be prepared to transfer to another institution for completion of a B.A.

Students must complete the entire sequence of courses in International Studies and related disciplines.

Students must complete the foreign language requirement (102 level or above).
