

Liberal Arts: Humanities and Social Science (English)

Culture, Society, and Mind

◆ TRANSFER DEGREE M MIDDLETOWN CAMPUS N NEWBURGH CAMPUS DL DISTANCE LEARNING

Program Description

English is a broad area of concentration which prepares you to transfer to a four-year college or university. Following the registered track in English prepares you for a variety of programs that emphasize writing, research, reading, and critical thinking. Students in this concentration gain creativity as well as communications and interpersonal skills, qualities sought after by many employers. Graduates with degrees in English have many options for careers, including education, advertising, public relations, publishing, technical writing, media, law, public service, and more.

For more information, visit the [SUNY Transfer Path](#) website.

This degree has been approved by SUNY and NYS Education Department for online distance learning delivery. This does not mean that SUNY Orange offers every course in the program online; however, many are offered in this format. Please check the current credit course schedule for online DL virtual course listings offered each semester.

Program Outcomes

Upon graduating with a Liberal Arts: Humanities and Social Science degree, students will:

- demonstrate foundational knowledge of and an appreciation for the cultural, social, and natural worlds
- recognize the diversity of human experience, values, and perspectives
- demonstrate an understanding of the forms of artistic expression and their creative processes
- apply critical thinking and systematic reasoning skills.
- demonstrate information management, quantitative skills, and an understanding of the role of empirical measurement
- use effective oral and written communication skills
- transfer to, and succeed at, an upper-level institution

Admission Criteria

Admission to this program requires that students be high school graduates or have high school equivalency diplomas (HSEs). If students are not high school graduates, they may be eligible for admission to the College's 24 Credit Hour Program. If students are home schooled, they may be eligible for admission.

Transfer Options

SUNY Orange has special relationships with upper-level colleges and universities for transfer. These transfer institutions include:

- four-year institutions in the State University of New York (SUNY) system
- private NYS and national four-year institutions

To provide for a smooth transfer, students should consult with both their academic advisors and the potential transfer institutions for academic course selection and guidance as soon as possible.

Your Career Coach

The registered tracks within the Associate in Arts degree program serve as a foundation for students who will complete their bachelor's degree at a four-year institution. They may then pursue careers in a number of areas. In addition, successful completion of a bachelor's degree can also lead to continued study on the graduate level.
